## Sightseeing Places !!!

### Disney World

- ♥ One very cool place to see in Orlando Florida is Disney World. It has many different parts such as Animal Kingdom or Hollywood Studios, there are so many cool rides and shows to ride and watch. The results always turn out fun.

### Coa Coa Beach

- ♥ Coa Coa Beach is a very fun place to visit. It has clear water and great surfing and boogie boarding waves. It has very pretty shells and pretty white sand. It's a great place to get a tan or play volleyball.

### Orlando Watersports complex (OWC)

- ♥ This park is a really cool and wet place to visit. It has pretty much any water sport you could think of, such as wakeboarding, skiing or kneeboarding. There is a cable and many different descades you can try going all around the lake, if your brave enough. OWC is very fun and try thinking about staying by some day on vacation.

### Downtown Disney/ Pressure Island

- ♥ In downtown Disney there are so many cool places to visit such as Rainforest Cafe and Lego World with big lego creations, there is also shopping centers. My favorite thing there is Goofy's Candy Shop.

### Cirque du Soleil

- ♥ This is a very cool show put on with acrobats, jugglers, trapeze artists, and much more. This show will blow you away of how cool it is.
